## **25% Discount on Vienna Instruments Pro and Free MIRx Products**

*Vienna Symphonic Library's Limited Time Offers Through February 28, 2017*

*Vienna, February 1, 2017* – The Vienna Symphonic Library announces a one-month limited time offer with a 25% savings when purchasing their feature-loaded sample player *Vienna Instruments Pro*. Additionally, the Viennese company rewards purchases of their library products with free *MIRx* add-ons. The minimum library purchase necessary to receive a free *MIRx* product is €300.

### **Extended Features with Vienna Instruments Pro**

Like the company's free proprietary *Vienna Instruments* player, the optional "Pro" version is fully compatible with all *Vienna Instruments Collections*, *Single Instruments* and *Volumes/Sections* of the *Vienna Special Editions*. It offers a wealth of extended features such as SSD Optimization, Auto Humanization, Polyphonic Legato, Enveloped Time Stretching, Adjustable Tuning Scales, and an internal Auto-Playback and Pattern (APP) Sequencer that offers a vast variety of ready-to-use orchestral patterns and voicings. Using *Vienna Instruments Pro* instead of the standard *Vienna Instruments* player is highly recommended, especially when working with the company's Dimension series of ensemble instrument collections (*Vienna Dimension Strings*, *Vienna Dimension Brass*). During the month of February, 2017 *Vienna Instruments Pro* is available at €109 (regularly €145).

### **Free MIRx Products**

Additionally, users who purchase Vienna's sample library products totaling €300 or more between February 1 and February 28, 2017 are rewarded with a free *MIRx* add-on of their choice, a €79 value. *MIRx* add-ons can be used exclusively in the *Vienna Instruments* and *Vienna Instruments Pro* players to create easy yet spacious preset mixes using Vienna's *MIR* technology. A purchase value of €600 or more qualifies for two free *MIRx* products, a purchase value of €900 or more qualifies for three free *MIRx* products, and purchases of at least €1,200

will yield four free *MIRx Reverb Mixing Extensions*. The offer is valid for purchases of Vienna Symphonic Library sample library products during the month of February 2017, including all *Vienna Instruments Collections* and *Bundles*, the *Vienna Special Editions* as well as 79 individually available *Single Instruments*.

## About the Vienna Symphonic Library

The Vienna Symphonic Library is an innovative, research-driven music software and sample library developer based in Vienna, Austria. The team continually strives to improve virtual orchestral music production with a special emphasis on authenticity and ease-of-use. **Vienna Instruments**, the company's multi-award-winning virtual instruments in the formats AU, VST, AAX Native, and RTAS, encompass an exhaustive range of solo instruments and ensembles, from their flagship *Symphonic Cube* to special instruments such as the *Vienna Konzerthaus Organ*, the *Vienna Imperial* grand piano, saxophones, upright bass, and even distorted guitar. Acclaimed software products include **Vienna Instruments Pro**, **Vienna Ensemble Pro**, **Vienna MIR Pro** and **Vienna Suite Pro**. Recently, the company launched an entirely new venture: **Synchron Stage Vienna**, a unique scoring stage in Austria's capital that accommodates orchestras of up to 130 musicians, merges proprietary software innovations and revolutionary approaches with traditional recording technologies and procedures.
