

Dear Vienna Newsletter Subscriber,

We just added another introductory bonus to our new [Synchron Percussion I](#) collection!

Free: Giant Taiko Drum

Registered users of *Synchron Percussion I** qualify for a **free** download of our all-new Japanese Taiko drum bonus library, featuring a large Simonsen Odaiko with a diameter of 53", recorded at *Synchron Stage Vienna*! It is available right away for download in your personal user area [MyVSL](#). This special library portion is not available for purchase and is offered to you exclusively during the introductory period!

* Users of *Synchron Percussion I Standard Library* will receive the *Giant Taiko Drum Standard Library* for free.
Users of *Synchron Percussion I Full Library* will receive the *Giant Taiko Drum Full Library* for free.

Synchron Percussion I was recorded at our newly revitalized scoring stage, [Synchron Stage Vienna](#), and offers 16 of the world's finest percussion instruments, masterfully played and captured in every nuanced detail, with up to 16 velocities and up to 8 alternate hits at each velocity. The comprehensive selection of discrete audio channels – every instrument was recorded with 12 microphones – gives you utmost flexibility in terms of mixing, from stereo and surround to Auro 3D and Dolby Atmos.
