## **40% Educational Discounts; New Scoring Bundle**

*Vienna Symphonic Library's Limited Time Offers, September 1 – 30, 2017*

*Vienna, September 1, 2017* – The *Vienna Symphonic Library* is pleased to announce the highest educational rebates in the company's history, granting students and teachers of all educational institutions a discount of 40% on all libraries and software products. Additionally, the *Vienna Scoring Bundle* has been released with a special focus on the modern film composer. The new bundle is only available through September 30, 2017, at a significantly lowered price compared to purchasing the included products separately.

### **40% Discount for Students and Teachers**

During the month of September, students and teachers of all educational institutions benefit from a 40% discount on all Vienna Symphonic Library software products and libraries. To qualify for the discounts, customers need a valid student ID card or confirmation of enrollment (as a teacher: certificate/confirmation) from their educational institution and will have to order and register the products during September 2017 using the name that appears on the document. Products may be purchased at any Vienna Authorized Dealer, at Vienna Symphonic Library's international distributors, as well as at the company's own web shop.

### **Limited Time Offer: Vienna Scoring Bundle**

This new bundle is the perfect film music package and offers everything to achieve that larger-than-life "Hollywood" sound right out of the box. The product is only available through September 30, 2017 and comes with the essential orchestral instruments and ensembles of the company's big *Vienna Instruments Collections* (*Appassionata Strings*, *Woodwinds*, *Brass*, *Synchron Percussion*, *Harp*), the award-winning mixing and reverberation software *Vienna MIR Pro 24* as well as the recently released *RoomPack 6 "Synchron Stage Vienna"*. The latter

includes thousands of impulse responses captured at Stage A of Vienna's revitalized scoring stage, where the music for numerous recent films (e.g., *Inferno*, *The Crown*, *Lego Batman*, *Ghost in the Shell*, *Genius*), video games and commercials was recorded. With the included customized and well-balanced *MIR Synchron Stage* Presets users may place all of the bundle's included instruments in their ideal spots on stage for a beautifully integrated orchestra sound, while retaining all of *MIR*'s flexibility to adjust the mix. Thanks to the special bundle discount, customers save over €900 compared to purchasing the included products separately. On top of it, students and teachers will additionally benefit from the current educational discounts of 40%.

### About the Vienna Symphonic Library

The Vienna Symphonic Library is an innovative, research-driven music software and sample library developer based in Vienna, Austria. The team continually strives to improve virtual orchestral music production with a special emphasis on authenticity and ease-of-use. **Vienna Instruments**, the company's multi-award-winning virtual instruments in the formats AU, VST, AAX Native, and RTAS, encompass an exhaustive range of solo instruments and ensembles, from their flagship *Symphonic Cube* to special instruments such as the *Vienna Konzerthaus Organ*, the *Vienna Imperial* grand piano, saxophones, upright bass, and even distorted guitar. Acclaimed software products include **Vienna Instruments Pro**, **Vienna Ensemble Pro**, **Vienna MIR Pro** and **Vienna Suite Pro**. Recently, the company launched an entirely new venture: **Synchron Stage Vienna**, a unique scoring stage in Austria's capital that accommodates orchestras of up to 130 musicians, merges proprietary software innovations and revolutionary approaches with traditional recording technologies and procedures.
