Vienna Symphonic Library's Limited Time Offer Through November 30, 2017

Vienna, November 1, 2017 – The Vienna Symphonic Library announces a one-month limited time offer that applies to almost all of its library products, including *Single Instruments*, *Collections*, as well as *Bundles*. Customers who purchase any two products from these categories during the month of November 2017 receive one additional product of their choice for free. Four, six or eight purchased items yield even more free products. The limited time offer includes pre-ordering the company's recently announced *Synchron Strings I* Collection that is currently available at a special Early Bird Price and will be released later in November.

134 Products Included

The Vienna Symphonic Library includes almost all of its library products in one outstanding promotional offer, only excluding the entry-level orchestral packages of the *Vienna Special Editions* (also excludes software products, hardware and vouchers). Customers may choose from 50 *Vienna Instruments Collections* and *Bundles* available in the categories of "Strings", "Winds", "Percussion", "Keyboards", "Voices" and "Plucked", as well as 84 individual *Single Instruments*. Users who order any three items (*Standard Libraries* or *Full Libraries*) from these categories between November 1 and November 30, 2017 automatically receive the lowest priced item for free, taking into account any personal discounts where applicable. Six, nine or twelve ordered items yield even more free products. The company's recently announced *Synchron Strings I* are included in this special offer. This brand-new string library was recorded at one of the best-sounding scoring stages in the world, *Synchron Stage Vienna*, and may be currently pre-ordered at an Early Bird Price (30% off its regular list price). The product is slated to be released later in November.

About the Vienna Symphonic Library

The Vienna Symphonic Library is an innovative, research-driven music software and sample

library developer based in Vienna, Austria. The team continually strives to improve virtual orchestral music production with a special emphasis on authenticity and ease-of-use. **Vienna Instruments**, the company's multi-award-winning virtual instruments in the formats AU, VST, AAX Native, and RTAS, encompass an exhaustive range of solo instruments and ensembles, from their flagship *Symphonic Cube* to special instruments such as the *Vienna Konzerthaus Organ*, the *Vienna Imperial* grand piano, saxophones, upright bass, and even distorted guitar. Acclaimed software products include **Vienna Instruments Pro**, **Vienna Ensemble Pro**, **Vienna MIR Pro** and **Vienna Suite Pro**. Recently, the company launched an entirely new venture: **Synchron Stage Vienna**, a unique scoring stage in Austria's capital that accommodates orchestras of up to 130 musicians, merges proprietary software innovations and revolutionary approaches with traditional recording technologies and procedures.
