For Immediate Release

25% Discount on Software, Vienna Dimension Brass & Special Brass

Vienna Symphonic Library's Special Offers in February, 2018

Vienna, February 2, 2018 – The Vienna Symphonic Library announces a one-month limited time offer with a 25% discount on their entire palette of **software products** as well as their ***Special Brass*** and ***Vienna Dimension Brass*** library products.

25% Off All Software Products

All of Vienna's software products are available at 25% off their regular price during the promotional period. They include the company's network-capable cross-platform mixing-host *Vienna Ensemble Pro 6,* the Multi Impulse Response-based mixing solution *Vienna MIR Pro*, its reasonably priced version *Vienna MIR Pro 24* and the six optional *MIR RoomPacks*, the *Vienna Instruments Pro* sample player and its optional *MIRx Reverb Mixing Extensions*, the audio processing plug-in bundles *Vienna Suite* and *Vienna Suite Pro,* as well as the *Vienna Software Package* that contains ten products at a reduced bundle price*.* The discounts also apply to upgrade prices (*e.g.,* from *Vienna Ensemble Pro 4* or *5* to *Vienna Ensemble Pro 6*, from *Vienna Suite* to *Vienna Suite Pro,* or from *Vienna MIR Pro 24* to *Vienna MIR Pro*) and will be added to individual Complementary Discounts when completing a bundled product, such as the *Vienna MIR RoomPack Bundle*, the *MIRx Bundle* and the *Vienna Software Package*.

25% Off Special Brass & Dimension Brass

Coinciding with this month's software special, the prices of the company's *Dimension Brass* and *Special Brass Collections* as well as all of the included *Single Instruments* (such as *Alto Trombone, Cornet, Euphonium*, and *Fanfare Trumpets*) have been lowered by 25%. *Vienna Dimension Brass I* features recordings of four brass sections, including four trumpets in Bb, four French horns, four trombones and four "Low Brass" instruments (tuba, bass trombone, two trombones). Although the sections were captured as ensembles, every musician was recorded with a dedicated microphone, providing the user individual access to each voice. *Vienna Dimension Brass II* features three brass ensembles (four trumpets, four trombones, four French horns) that were recorded exclusively with classical "straight mutes", plus an ensemble of four Wagner tubas that can be rarely found in other libraries. The 25% discount during the month of

February, 2018 applies both to the *Collections* and all included *Single Instruments*. The prices of the larger *Bundles* such as *Brass Bundle*, *Winds Complete*, and the *Vienna Super Package* have been lowered accordingly.

About the Vienna Symphonic Library

The Vienna Symphonic Library is an innovative, research-driven music software and sample library developer based in Vienna, Austria. The team continually strives to improve virtual orchestral music production with a special emphasis on authenticity and ease-of-use. *Vienna Instruments*, the company's multi-award-winning virtual instruments in the formats AU, VST, and AAX Native, encompass an exhaustive range of solo instruments and ensembles, from their flagship *Symphonic Cube* to special instruments such as the *Vienna Konzerthaus Organ,* the *Vienna Imperial* grand piano, saxophones, upright bass, and even distorted guitar. Acclaimed software products include *Vienna Instruments Pro, Vienna Ensemble Pro, Vienna MIR Pro* and *Vienna Suite Pro*. In 2016, the company launched an entirely new venture: **Synchron Stage Vienna**, a unique scoring stage in Austria's capital that accommodates orchestras of up 130 musicians, merges proprietary software innovations and revolutionary approaches with traditional recording technologies and procedures.
