25% Discount on Vienna Woodwinds

Vienna Symphonic Library's Limited Time Offer Through March 31, 2018

Vienna, March 2, 2018 – The Vienna Symphonic Library announces a one-month limited time offer with up to 25% discounts on their entire palette of Woodwinds Instruments. The discount applies to all *Vienna Instruments Collections* and *Single Instruments* included in the *Woodwinds Bundle* and in the *Additional Winds Bundle*, as well as to the Woodwind Sections of Vienna's most popular *Special Edition Volumes 1 & 2*, their corresponding *PLUS Volumes* and the *Special Edition Volume 4 (Special Winds & Choir)*. The prices of the larger bundles *Winds Complete*, *Symphonic Cube* and *Vienna Super Package* have been lowered accordingly during the promotional period.

From Piccolo Flute to Contrabassoon

Vienna's *Woodwinds Bundle* includes the Collections *Woodwinds I & II* and *Special Woodwinds*. The *Additional Winds Bundle* contains the Collections *Saxophones*, *Recorders*, and *Historic Winds I–III*. Together, they cover the complete range of symphonic woodwind instruments and more at the apex of authenticity. Even rare and historic instruments such as heckelphone, ophicleide, cornett (zink), serpent, oboe d'amore and oboe da caccia are sampled in utmost detail, providing a treasure trove of all-new combinations and arrangements that may expand beyond the symphonic context. The 25% discount during the month of March applies to the above mentioned Collections and Bundles (*Standard Libraries* and *Full Libraries*) as well as to all included single instruments and ensembles that are available separately. The larger bundles' prices of *Winds Complete*, *Symphonic Cube* and the *Vienna Super Package* have been lowered accordingly, as they contain a large number of woodwind instruments. What's more, the woodwind sections of Vienna's most popular *Special Edition Volumes 1 & 2*, their related *PLUS Volumes* and the *Special Edition Volume 4 (Special Winds & Choir)* are available at 25% off their regular price during the promotional period, too.

About the Vienna Symphonic Library

The Vienna Symphonic Library is an innovative, research-driven music software and sample library developer based in Vienna, Austria. The team continually strives to improve virtual orchestral music production with a special emphasis on authenticity and ease-of-use. **Vienna Instruments**, the company's multi-award-winning virtual instruments in the formats AU, VST, and AAX Native, encompass an exhaustive range of solo instruments and ensembles, from their flagship *Symphonic Cube* to special instruments such as the *Vienna Konzerthaus Organ*, the *Vienna Imperial* grand piano, saxophones, upright bass, and even distorted guitar. Acclaimed software products include **Vienna Instruments Pro**, **Vienna Ensemble Pro**, **Vienna MIR Pro** and **Vienna Suite Pro**. In 2016, the company launched an entirely new venture: **Synchron Stage Vienna**, a unique scoring stage in Austria's capital that accommodates orchestras of up to 130 musicians, merges proprietary software innovations and revolutionary approaches with traditional recording technologies and procedures.
