More Action for €60

Capricorn is our latest addition to the Big Bang Orchestra series for instant modern scoring, offering “Symphonic Riffs”. Our own Synchron Stage Orchestra blasts through a **large arsenal of patterns and themes** to beef up your arrangements! Now just imagine the possibilities the Synchron Player's **real-time time-stretching** feature, currently in the final beta-stage, will offer for ALL Synchron Series products. Good times ahead! And don't miss these **brand-new walkthrough videos** by Fabio Amurri and Guy Bacos.

What's more, we're still offering Big Bang Orchestra: **Black Eye** at an introductory price of €75, only through March 2!
