# BÖSENDORFER IMPERIAL

Introductory Offer

Dear Vienna Newsletter Subscriber,

Topping off our current special offer on Synchron Pianos, we're proudly releasing a new glorious concert grand, the Bösendorfer 290 Imperial! Please note that some of our other introductory offers expire in just a few days.

## NEW: BÖSENDORFER IMPERIAL

The Bösendorfer Concert Grand 290 Imperial represents the apex of the famed Austrian piano manufacturer's precious heritage. Its extraordinary, orchestral sound is **rich in expression and resonance with a warm tone**, thanks to the enormous resonance board and the nine additional sub-bass notes. The instrument's key range is extended downward to the low C – for a total range of eight octaves.

The third concert grand recorded in the large hall of Synchron Stage Vienna is nothing less than stunning!
