Dear Vienna Newsletter Subscriber,

We're pleased to announce our totally revamped [website](#). Please check out the new design! The new structure makes it really easy to browse our special offers, find information, watch videos, and listen to a huge selection of audio demos in the new music section.

Please be sure to update any bookmarks you may have set up to our new pages.

[Holiday Season Offer](#)

We're celebrating our new option to "**Complete Your Bundles**" with special prices on all available Bundles. We're offering an **additional 15% discount** on our already reduced Bundle prices from **December 2, 2014 through January 15, 2015**. Select from a total of 21 Software Bundles as well as Library Bundles, including the [Vienna Special Edition](#) Bundles. We also created two new bundles, the [Additional Winds Bundle](#) and [Plucked Instruments Bundle](#).

Complete Your Bundles at our new Complementary Discounts

If you've already purchased one or more products in a Bundle, you may benefit from our new complementary discount system.

Since the bundle price is always considerably lower than the total price of all included individual products when purchased separately, the reduction of this difference in price will be now applied to your missing products when you **complete** a Bundle.

Please note that in order to take advantage of the new discounts, you need to purchase the **Bundle**, not the individual Collections you're missing. When you log in to our new website, your personal discount is automatically displayed under "Your Price" on the product page of any applicable Bundle.

Please find more details [here](#).

New Percussion Instruments

We've just compiled and released three new instrument groups from our [Percussion](#) Collection: You may now purchase *Timpani*, *Drums & Toms*, and *Cymbals* individually and benefit from our new upgrade discount system when completing to the full *Percussion* Collection later. The same principle works for all other Collections that include separately available *Single Instruments*!

We hope you will enjoy our new website!

Happy Holidays!

– Your Vienna Symphonic Library Team

PS: Have you ever thought about giving (or receiving!) Vienna Symphonic Library products as a gift? Have a look at our new [Vienna Vouchers](#) and treat someone you love to fine goods from Vienna!
