Dear Vienna Newsletter Subscriber,

Just in time for Christmas we've released two new vocal products:

[Vienna Solo Voices](#) features four carefully selected female voices (coloratura soprano, soprano, mezzo soprano, alto) and three male voices (tenor and bass available now – the baritone register will be available later for registered users at no additional charge). The voices blend beautifully in harmony and each voice has a smooth and consistent timbre over the full register, which makes them great for group and solo passages. These voices are perfect for a cappella performances and are equally suited to a wide variety of instrument combinations.

Check out our **Introductory Offer** and save €100 when purchasing the *Full Library of Vienna Solo Voices* through **January 31, 2015**!

What's more, with our new [Vienna Whistler](#), getting a convincing performance from any conceivable melody is easier than ever. Choose from a wide range of performance patches and you'll be impressed by the stunning realism!

New Bundle: Voices Complete

[Voices Complete](#) includes both the new *Vienna Solo Voices* and the *Vienna Whistler* as well as the existing *Vienna Choir* and *Soprano Choir* Collections at a special bundle price. Don't miss our current [Holiday Offer](#) and get an **additional 15% discount** on this bundle, only through **January 15, 2015** with a savings of up to €438 compared to purchasing all bundled products separately at their regular prices!

On top of this discount, you can take advantage of our new [Complementary Discounts](#) if you've already registered *Vienna Choir* and/or *Soprano Choir* and purchase *Voices Complete* now. When you're logged in, your personal discount is automatically displayed under "Your Price" on the [Voices Complete](#) product page.

We wish you restful holidays and a successful 2015!
