Dear Vienna Newsletter Subscriber,

Play the entire orchestra live on stage, in the studio, and on the road!

The **Vienna Smart Orchestra** brings the power of a large symphonic orchestra right to your fingertips. Playing a 140 piece orchestra on the keyboard has never been easier and more rewarding. Whether you are looking for inspiration, quickly sketching a symphonic idea, delivering a final score on a deadline, or playing live on stage – this orchestral powerhouse lets you play all the sections and lead instruments at once, spread out over the entire keyboard.

Get creative with additional experimental FX presets for hybrid soundscapes and organic textures. This lean and resource-saving package delivers a perfectly balanced orchestra that's fun to play at an irresistible price.

During September, 2018, the Vienna Smart Orchestra is available at **only €95** for registered users of Vienna Special Edition Vol. 1 or of any one Collection included with the Symphonic Cube.
