

VIENNA SYMPHONIC LIBRARY

Dear Vienna Newsletter Subscriber,

We're happy to let you know that there is a **free library update** for your Synchron Strings I Collection available for you!

The beautiful **Cantabile articulations** that were added to the 1st violins in a previous update are now available for **2nd violins, violas and cellos**. What's more, we've updated and improved all variants of previously existing Synchron Strings legatos such as soft, fast and slurred to achieve the same playability as the Cantabile patches. Please note that the update is only available for the library version that is to be used with the Vienna Synchron Player.

We're sure you'll like these additions and improvements!
