Dear Vienna Newsletter Subscriber,

NKS Integration

Native Instruments' NKS format is a great way to integrate your plug-ins with Komplete Kontrol keyboards and Maschine. Use the Light Guide to quickly identify key switches and play ranges of your instruments, browse and preview sounds, and quickly adapt them using pre-configured control knobs.

The following products are now NKS-ready: Vienna Smart Orchestra, Vienna Smart Spheres, SYNCHRON-ized Special Editions Volume 1 - Volume 4

Get your NKS installers

HERE

NKS, Komplete Kontrol and Maschine are registered trademarks of Native Instruments GmbH.
