Dear Vienna Newsletter Subscriber,

Blüthner 1895 – The Lyrical Grand

This lovingly refurbished grand piano, built in Leipzig in 1895, was captured with all its beauty and character at Stage B of Synchron Stage Vienna. The instrument's "golden tone", enhanced by Blüthner's patented Aliquot system, lends itself extremely well to chamber music settings as well as to pop songs and ballads where other concert grands sound too large and obtrusive. Presets like "Intimate" or "Vintage" bring out this special quality even more.
