

Dear Vienna Newsletter Subscriber,

This November we have great discounts on our Vienna Smart Orchestra and Vienna MIR products in store for you!

Vienna Smart Orchestra

The Vienna Smart Orchestra is designed to be your ideal sketching tool for any orchestral work, from cinematic tracks to pop ballads to experimental soundscapes. Playing a 140 piece orchestra on the keyboard has never been easier and more rewarding. The Vienna Smart Orchestra brings the power of a large symphonic orchestra right to your fingertips.

Get the Vienna Smart Orchestra at the special **Promotional Price of €145** (normally €175) through December 2!

If you want more variety, just add the new **VSO ExpansionPack** to receive 9 more solo instruments.

Ready for macOS Catalina when you are!

All of our software products have been updated to be fully compatible with the new macOS Catalina. Please make sure that all other components of your DAW also meet the new requirements. We suggest to test your setup on a separate drive/partition to avoid any surprises.

Best wishes from Vienna,
Your Vienna Symphonic Library Team
