### VIENNA HEROES

It's always been our tireless quest to provide composers with the best tools imaginable to help them conquer their musical challenges with unhinged creativity. Encompassing over 2.8 million samples, our powerful VI Series supports you with an excess of articulations to master your orchestral adventures with the most amazing arrangements.

This March, we're reducing the prices of **over 200 VI Library products** (Bundles, Collections, Single Instruments) by a substantial amount, between 32% and 52%.

Save BIG

– James Newton Howard

– Alexandre Desplat

– Danny Elfman

### Here's what Hollywood Heroes say about VSL

*"VSL has been a pivotal part of my composing template for many years now."*

–James Newton Howard (The Dark Knight, The Hunger Games, I am Legend)

*"Since I'm working in Hollywood it requires a vast library and that's why VSL is really useful."*

–Alexandre Desplat (Pets, Godzilla, Argo, The Shape of Water)

*"VSL has been the center of my orchestral sample library of several years now."*

–Danny Elfman (Avengers: Age of Ultron, Spider-Man, Batman)

### Are you a Vienna Hero?

Take advantage of this unique opportunity and expand your symphonic arsenal. Log in to our web shop to display your unprecedented **low prices when you upgrade** from Standard Libraries to Full Libraries, or when you complete your existing libraries to Bundles. In the latter case, please remember to purchase the Bundle, not the missing libraries, to receive **complementary discounts**.
