

VIENNA SYMPHONIC LIBRARY

Dear Vienna Newsletter Subscriber,

We're expanding our Spring Celebration!

Bringing Space to Your Music

Although most of us have to stay inside you can beam your music into different magical spaces. **MIR Pro**, **MIR Pro 24** and **MIRx** enhance our **Vienna Instruments** with the stunning acoustics of renowned concert halls and sound stages. With our unique and award-winning Multi Impulse Response convolution technology you can easily place your instruments in various spaces to bring ambience and balance to your mix. Have you ever heard your compositions being played at the famous Vienna Konzerthaus or at the mystic gothic monastery church in Pernegg?

Save now and get **38% off through April 14** on all MIR products including RoomPacks. Make sure to watch the how-to videos on our website!

Vienna Heroes

In light of the current situation and the challenges it presents to each of us, we are keeping substantially **lower prices on all of our VI Series Libraries** to support our worldwide community of composers.

It's always been our tireless quest to provide musicians with the best tools imaginable to help them conquer their musical challenges with unhinged creativity. Encompassing over 2.8 million samples, our powerful VI Series supports you with an excess of articulations to master your orchestral adventures with the most amazing arrangements.
