With **Big Bang Orchestra: Izar** we provide **Low Brass Clusters** that have become a fixture in modern film scores. Add dramatic dissonance for even more tension.

**Big Bang Orchestra: Jupiter** offers the majestic power of **six double French horns** with a rich set of articulations and with up to five velocity layers, from mysterious pianissimos to heroic fortissimos.

**Big Bang Orchestra: Kopernikus** includes an ensemble of **four Bb trumpets** with stunning performances from velvety pianissimos to the brightest fortissimos. This library delivers the thrilling timbre associated with countless contemporary film scores.
