

Dear Vienna Newsletter Subscriber,

Exciting news from Vienna!

SYNCHRON STRINGS PRO

As a valued user of Synchron Strings I, we are happy to offer you great crossgrade prices to the new Synchron Strings Pro throughout the introductory period, **until November 2:**

If you have registered the **Synchron Strings I Standard Library**, your crossgrade INTRO PRICES are:

Synchron Strings Pro Standard Library: **€145**

Synchron Strings Pro Full Library: **€370**

If you have registered the Synchron **Strings I Full Library**, your crossgrade INTRO PRICES are:

Synchron Strings Pro Standard Library: **€145**

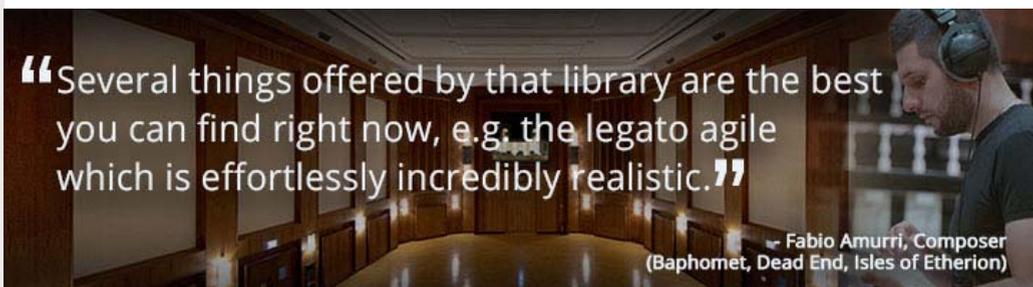

Synchron Strings Pro Full Library: **€250**

Fasten your seat-belts and check out the **videos and audio demos** to get a first impression!

With **Synchron Strings Pro** we push the limits of flexibility for string ensembles even further with a refreshing and emotional approach. Newly recorded articulations such as **“agile” legatos** for fast performances, **portamento**, flautando legato, different **attack and release variants** and many others were complemented with select articulations from Synchron Strings I for a complete and versatile collection.
