PHOENIX
PITCHED SOLO PERCUSSION

QUASAR
SOLO PERCUSSION

FREE DEMOS: Big Bang Orchestra Phoenix & Quasar

From sparkling melodies to deep impacts – meet Big Bang Orchestra **Phoenix** and **Quasar**! Give your music the extra touch and add more color to your arrangements. Get our new **solo percussion instruments** at low **introductory prices**: Timpani, taikos, bass drum, vibraphone, gongs and much more.

We've also **lowered the prices** of our previous Big Bang Orchestra Percussion Packs **through October 6**: **Dorado** (Percussion Ensembles), **Eridanus** (Percussion Ensemble Riffs), and **Fornax** (Pitched Percussion Ensembles).

Get your **free 30 days demo** and take a closer look at all these multifaceted instruments.

NKS
NATIVE
KONTROL
STANDARD®

EXTENDED: NKS Integration

Native Instruments' NKS format is a great way to integrate your plug-ins with Complete Kontrol keyboards and Maschine. Use the Light Guide to quickly identify key switches and play ranges of your instruments, browse and preview sounds, and quickly adapt them using pre-configured control knobs. We're happy to say that we added NKS integration to many of our library products!
