### EASTER SPECIAL: Smart Series

While the Special Editions are “traditional” sample libraries that offer all solo instruments and ensembles separately, the **Vienna Smart Orchestra (€125)** lets you play all the sections and lead instruments at once, spread out over the entire keyboard. It's a fun, fantastic tool for quick sketching and playing live on stage!

**Vienna Smart Spheres (€75)** delivers ambient symphonic sounds in a brand-new mix, based on organic and acoustic sources from our vast treasure trove of orchestral instruments. **Vienna Smart Hits (€65)** is a breathtaking exploration into the organic, yet surreal and swirling amalgamation of hits, “braams”, risers, swells and sub booms.
