

VIENNA SYMPHONIC LIBRARY

Dear Vienna Newsletter Subscriber,

We'd like to let you know that we'll **stop supporting Vienna Ensemble Pro 6** by the end of April, 2021.

Through May 3 we're offering **reduced upgrade prices** to the current version Vienna Ensemble Pro 7, both for first and additional licenses.

**Vienna Ensemble Pro 7** offers a host of new features such as availability as single licenses, integrated FX and simplified automation. What's more, version 7 comes with a **free** license of **Epic Orchestra 2.0**, a 73 GB sample collection that includes essential articulations of large string, woodwind and brass ensembles, drums and percussion, as well as various highlights from our Synchron Series.

Best wishes from Vienna,
