Limited Time Offer

Dear Vienna Newsletter Subscriber,

We just added even more patterns to Big Bang Orchestra: Capricorn!

#### YOUR FREE EXPANSION SET

#

As a registered user of Big Bang Orchestra: Capricorn, this bonus pack is free for you! It adds three more patterns that are very versatile. The ostinatos in 4th, 8th and 16th notes are available in “strings only” versions as well as in “tutti” versions. Due to their simple structure they can be used in a variety of harmonic settings, adding drive and a forward pushing energy to any arrangement. The patterns work great in combination with each other, and pre-configured patches “Stacked Riffs” are also available.
