

Dear Vienna Newsletter Subscriber,

We're adding silky facets to your arsenal of strings! Discover our two new muted string ensembles in small and large section sizes.

### **NEW: SYNCHRON-ized Chamber Strings (sordino)**

The muted small string ensembles of six first violins, six second violins, four violas, three cellos and two double basses exhibit a gentle, nuanced, and **beautifully refined sound**. The string players of the sequel to SYNCHRON-ized Chamber Strings are virtually placed on one of the best scoring stages in the world, Synchron Stage Vienna, blending seamlessly with all the other Synchron Series libraries. Get them at the **introductory price** of only **€185!**

### **NEW: SYNCHRON-ized Appassionata Strings (sordino)**

With 20 first violins, 20 second violins, 14 violas, 12 cellos and 10 double basses these muted large string ensembles deliver a **broad and emotive cinematic sound**. They lend themselves well to a variety of musical styles, from pop to symphonic arrangements. The players of the sequel to SYNCHRON-ized Appassionata Strings are virtually placed at Synchron Stage Vienna. Get them at the **introductory price** of only **€185!**
