

VIENNA SYMPHONIC LIBRARY

Dear Vienna Newsletter Subscriber,

Get ready to make a bold statement!

## NEW: Synchron Brass

This massive new library is an exuberant collection of **solo instruments and ensembles** in various section sizes, recorded at Synchron Stage Vienna. Captivating performances by world-class artists were extensively sampled with a new level of dynamic expressivity and musicality, to help you achieve the boldest, most majestic scores imaginable!

**“Synchron Brass combines VSL's signature polish, sonic definition, and fantastic-sampling depth with a new level of dynamic expressivity and musicality.”**

- Ronit Kirchman, Composer  
(The Sinner, Evil Eye, Limetown)

Enhanced by the options of our Vienna Synchron Player, Synchron Brass is extremely **versatile, flexible and nuanced**. Its new feature **“Timbre Adjust”** will add even more expression and authenticity to your performances. Nine microphone positions, perfectly balanced in pre-configured mixer presets by Synchron Stage Vienna's Chief Scoring Engineer Bernd Mazagg, provide you with a stunning sound right out of the box. Additional Signature and FX Presets as well as Expression Maps for Sibelius, Dorico and Cubase round out this truly mind-blowing package.
