

VIENNA SYMPHONIC LIBRARY

Dear Vienna Newsletter Subscriber,

Ease into summer by tickling the ivories of our exquisite pianos, a concert hall organ, and special keyboards!

NEW: Synchron German Upright 1904

The historic **C. Bechstein** upright piano that was sampled for this brand-new collection was built in Berlin in the early 20th century. Its **distinctive vintage character**, owing to its generous proportion of resonating wood, was captured with a multi-microphone setup at Synchron Stage Vienna's Stage B. The upright's very smooth action allows the **finest gradations** from pianissimo to fortissimo.
