

Dear Vienna Newsletter Subscriber,

We're excited to introduce a series of ethnic wind instruments!

New: Synchron World Winds

We're starting a new chapter of extraordinary instruments! Cultural origins, tradition and deep history resonate with the sounds of these **traditional woodwind instruments** from different parts of the world. Their unique timbres can be heard in film scores like Lord of the Rings, Dune and Avatar.

This intriguing Collection offers a wide range of evocative sounds from ethnic wind instruments, **recorded on the large Stage A** of Synchron Stage Vienna. The instruments are available as **separate World Winds Packs** or together in the **Synchron World Winds Collection** at a bundle discount, including: **Bansuris, Dizis, Duduks, Gajdica, Hulusi, Koncovka, Shakuhachi, Tin Whistles** and **Zurna**.
