Brighten Up Your November!

SYNCHRON PRIME EDITION

ALL THE COLORS OF THE ORCHESTRA

Limited Time Offer

Dear Vienna Newsletter Subscriber,

Revel in all the colors of the orchestra!

Synchron Prime Edition for only €445

We're often asked if we can recommend a great allrounder library. Yes we can! The Synchron Prime Edition is a fantastic all-in-one package for creating stunning orchestrations. It packs the essential instruments and articulations of our large Synchron Series Collections into one 65 GB powerhouse of pristine sound and breathtaking realism. For beginners, educational institutions and professionals alike, the Synchron Prime Edition leaves nothing to be desired.

TEMPLATE**

Divisimate

Check out Divisimate by our friends at nextmidi! This real-time orchestration tool allows you to split up your performances of chords into individual musical voices and send them to separate tracks of your sequencer. Divisimate is currently 30% off and you can download a free template for your DAW that's customized for the Synchron Prime Edition!

OrchestrationRecipes

Serving Suggestions for the Synchron Prime Edition

In the next chapter of our Orchestration Recipes, Shannon Moore guides you through preparing "Brass FANFARED au gratin with running winds", from fanfare trumpets and woodwind runs all the way to phrasing, fine-tuning and mixing. Watch the video to learn what's cooking!

Compatibility Presets

Do you have a second workstation or a mobile rig running the Synchron Prime Edition? Now you can easily play back projects created with the Synchron Prime Edition using the Compatibility Presets of your corresponding large Synchron Collections and vice versa.

Best wishes from Vienna,
Your Vienna Symphonic Library Team
