

# VIENNA COMPOSER CONTEST

Dear ...,

Record your music at Synchron Stage Vienna and break into the world of production music!

## Vienna Composer Contest

20 years ago we released our first sample libraries and, to celebrate this anniversary, we're running a competition with production music label 2nd Foundation Music. Prizes range from **12 x €500 Vienna Vouchers** to **3 complete Synchron Packages**, to a **contract with 2nd Foundation Music** who will release and distribute your six track orchestral album, recorded at Synchron Stage Vienna.

This competition is open to all composers with three rounds and there's no requirement to purchase any product. Please find all terms and conditions of participation on our website.

We share the passion for composition as well as fascinating arrangements and look forward to the upcoming months with an exciting contest!

## New: FREE Instrument

We are expanding our freebies with a collection of percussion instruments! Their versatility and unique timbres add texture and rhythm to a wide range of musical styles, from world and folk music to jazz and orchestral arrangements, and electronic music. Use e.g. Boobams, Crotales or Woodblocks to give your arrangements even more individuality.

Of course, the new Free Instrument can be used immediately for your work for the Composer Contest.
