

CELEBRATING
20
YEARS
OF
VIENNA SYMPHONIC LIBRARY

Dear ...,

Celebrate with us!

Save big on VI Series and SYNCHRON-ized Libraries

The flexibility, authenticity and musicality of our VI Series and SYNCHRON-ized Libraries are just a few reasons why award-winning composers and music producers rely on Vienna Symphonic Library.

All the libraries included in this special offer were recorded in the tight and controlled ambience of the Silent Stage. **Save up to 40% through February 28!**

New: MIR 3D RoomPack 7

These two outstanding venues were captured and recreated with an unprecedented amount of impulse responses for stereo and real 3D applications. **Großes Festspielhaus** provides a wide and warm sound, while **Karl Böhm Hall** can be used as the world's largest reverb chamber, as the track "A Special Room" by **Dorian Concept** brilliantly demonstrates. Watch and listen to the stereo and binaural versions here. Please note the promotional prices of all other MIR products, only **through February 28**.

Vienna Composer Contest

Thanks to all you great composers who submitted so far!

We're thrilled that we've received so many fantastic compositions already. In case you haven't submitted yet, there's still enough time to do so. Check our website and Paul's video for all the details! And don't forget to download our **new FREE Instrument**, Small Percussion. What's holding you back?

Movie Masterpieces

Jay Bacal is a long-time friend of VSL and a true master of virtual orchestration. With the "Movie Master Pieces" section, Jay opens a new chapter presenting famous film music titles that were programmed in meticulous detail and show the power and authenticity of VSL libraries.

2023 NAMM TEC Awards

We're happy and proud that both **Synchron Brass** and **Synchron Woodwinds** have been nominated for 2023 NAMM TEC Awards in the category of Musical Instrument Software! Please take a minute and vote, it'd mean a lot to us!
