

# Your Orchestral Signature

## Up to 40% Off String Libraries

Limited Time Offer

Dear ...,

Take advantage of our offers before they're expiring, and learn about Vienna Symphonic Library's beginnings in our brand-new documentary!

### Strings Anniversary Offer

Save up to 40% on all Synchron, SYNCHRON-ized, and Big Bang Orchestra string libraries, plus Synchron Harp through April 3!

Create your own personal string sound by choosing from a wealth of articulations, microphone setups and reverb options and shape your sound in real-time with the highly adaptive Synchron Player! Our String Collections offer a wide variety of section sizes, timbres and placement options for every budget and musical genre.

[More details here](#)

### Legato and Portamento

Great examples by the one and only Guy Bacos that feature our famous legato and portamento articulations of our many strings products

### A musical walkthrough

Super-composer Guy Bacos presents you with the many articulations, glissandos and arpeggios you get with Harp 1 of our SYNCHRON-ized Harps.

### New: SYNCHRON-ized Harps

This Collection offers **two beautiful instruments** that take advantage of the capabilities of the included Vienna Synchron Player! Both instruments are perfectly positioned at the virtual Synchron Stage Vienna. Presets such as close, classic, and distant let you easily place and reverberate the instruments with pre-configured combinations of convolution and algorithmic reverbs.

Take advantage of the introductory price of €95 through April 3!

### Documentary: Behind the Samples

What's the story behind more than 10 million sound bites?

As we celebrate our 20th anniversary, we take a trip down memory lane and explore some untold stories in our video series. In episode 1, mastermind Herb Tucmandl tells us about a cello, a cold summer and the first steps of VSL.

 **DIVISIMATE**  
REALTIME ORCHESTRATION ENGINE

**FREE  
TEMPLATES!**

### Orchestration on the fly

Check out Divisimate by our friends at nextmidi! This real-time orchestration tool allows you to split up your performances of chords into individual musical voices and send them to separate tracks of your sequencer.

Divisimate offers free templates for your DAW for the **Synchron Prime Edition**, and now also for the **full Synchron Collections**! Use the **code SYNCHRON23** to **save 25 %** on Divisimate, only at [www.divisimate.com](http://www.divisimate.com) through April 17.
