

Dear ...,

Spring is here and brings many attractive offers!

New: SYNCHRON-ized Saxophones

SYNCHRON-ized Saxophones is based on the VI Collection Saxophones and features all five solo instruments from the soprano to the bass saxophone that were recorded in the tight and controlled ambience of our second studio, the Silent Stage. The entire sample database with its broad range of articulations for **all genres from symphonic music to jazz** was re-edited, updated and optimized for the Vienna Synchron Player.

Introductory crossgrade prices to SYNCHRON-ized Saxophones start at **€35!**

Up to 50% Off Smart Series Libraries

The **Vienna Smart Orchestra** lets you play all the sections and lead instruments at once, spread out over the entire keyboard. It's a fun, easy-to-use tool for quick sketching, full orchestrations on the fly and playing live on stage! Get it now for only **€105** (reg. €175).

Vienna Smart Spheres delivers ambient symphonic sounds in a brand-new mix, based on organic and acoustic sources from our vast treasure trove of orchestral instruments.

Vienna Smart Hits is a breathtaking exploration into the organic, yet surreal and swirling amalgamation of hits, "braams", risers, swells and sub booms.

Save 50 % when you purchase or complete your **Vienna Smart Bundle**, only available this April!

New: Movie Masterpiece

This Masterpiece, arranged by Jay Bacal, showcases the VSL saxophones. Alex North's jazz and classical hybrid score was nominated for an Academy Award in 1952. The innovative score influenced the music of many future noir films including Jerry Goldsmith's "Chinatown."
