

## Concert Grand Week Up to 35% Off Synchron Pianos

April 17 - 24, 2023

Dear ...,

**Concert Grand Week will end soon!** Save up to 35%, only through April 24!

Our Fazioli F308, Bösendorfer Imperial, Steinway & Sons D-274 and Yamaha CFX were captured on the large Stage A of Synchron Stage Vienna. The Bösendorfer 280VC was recorded in the smaller Stage B, with its more intimate and direct sound.

Check out this great video by Guy Bacos as he **compares the various microphone positions of all concert grands**, from the close and mid mics to the Decca Tree to the outriggers, and listen to them solo'ed or in combination.

## SYNCHRON-ized SAXOPHONES

### Introductory Offer: SYNCHRON-ized Saxophones

This Collection offers the complete saxophone family, featuring **soprano, alto, tenor, baritone, and bass saxophone**. A broad spectrum of articulations enables the instruments to be performed in a variety of genres **from symphonic music to jazz, rock and pop**. The instruments were recorded in the tight and controlled ambience of our second studio, the Silent Stage, making them extremely flexible for positioning in any acoustic environment.

Crossgrade prices from VI Saxophones and Single Instruments start at €35!
