

Dear ...,

Get your hands on a full-blown orchestra that's easy and fun to play!

### New: Synchron Smart Orchestra

The Synchron Smart Orchestra brings the power of Vienna's acclaimed Synchron Stage Orchestra to your studio, laid out over the **entire keyboard** and ready to play with a mesmerizing sound right out of the box.

Whether you're playing the entire orchestra at once, or you're playing the individual sections and solo instruments separately, this powerful and versatile software instrument is great for playing live, for sketching ideas, and for quickly creating powerful orchestrations. In addition to ensembles from **Synchron Duality Strings, Brass, Woodwinds, Percussion and Choir**, these lead instruments are available: violin ensemble, cello ensemble, flute, oboe, clarinet, trumpet, horn, harp, and celesta.

**Introductory Price €175, crossgrade pricing available.**

For all Students and Educators

### 45% Educational Discount

In our annual educational promotion, we're honoring students and educators everywhere with a special 45% discount **on all list prices** and personal upgrade/crossgrade prices.

[More details here](#)

Discount on list prices. Excluding hardware (Vienna Hard Drive, USB Sticks), vouchers and shipping.

### New: Movie Masterpiece

Listen to Jay's performance of Trevor Jones' Main Title cue from the film "Last of the Mohicans." Trevor was nominated for an Academy Award for this score. The primary libraries are Synchron Strings, Synchron Brass and Synchron Percussion. Jay used additional pedal tones of our Synchron Molzer Organ to simulate a deep synthesizer bass.
