

For Immediate Release

Free World Winds Expansion for Synchron Prime Edition

Vienna Symphonic Library adds four wind instruments to popular all-in-one orchestral package that is currently available at a special discount of 25%.

Vienna, October 31, 2023 – The Vienna Symphonic Library is pleased to announce a free expansion set to their all-in-one orchestral package at an entry-level price. In addition to the free Elite Strings bonus that was added in June, 2023, the Synchron Prime Edition now comes with the instruments tin whistle, shakuhachi, bansuri, and dizi. The free bonus set is available to both registered users as well as new customers.

What's more, the Synchron Prime Edition is available at a special price of €445 (reg. €595) through November 30, 2023.

The Synchron Prime Edition gathers the essential instruments and articulations of Vienna's Synchron Series into one resource-saving collection that is easy to use, versatile and fun to play. It provides users with everything they need to create stunning orchestral arrangements with breathtaking realism and pristine sound packed with emotion. The library includes stellar performances by the acclaimed solo instrumentalists and ensembles of the Synchron Stage Orchestra, who for many years have been lending their talents and artistry to clients from Hollywood and all over the world. Captured with a state-of-the-art multi-microphone setup in one of the best scoring stages on the planet, the recordings feature the outstanding ambience of Synchron Stage Vienna. The large Stage A of VSL's own studio complex in Vienna elevates not only the sound of the musicians' fine instruments, but also the performances of the well-rehearsed players and ensembles as they respond to each other and to the outstanding acoustics of this hall.

About the Vienna Symphonic Library

The Vienna Symphonic Library is an innovative, research-driven music software and sample library developer based in Vienna, Austria. The team continually strives to improve virtual orchestral music production with a special emphasis on authenticity and ease-of-use. **Vienna Instruments** and the **Synchron Series libraries**, the company's multi-award-winning virtual

instruments in the formats AU, VST, and AAX Native, encompass an exhaustive range of solo instruments and ensembles, from Synchron Duality Strings and Synchron Elite Strings, Synchron Pianos including concert grands by Bösendorfer, Fazioli, Steinway, Yamaha and Blüthner, to special instruments such as the Great Rieger Organ of the Vienna Konzerthaus, historic and ethnic wind instruments, drums and percussion, and even distorted guitar. Acclaimed software products include the **Vienna Synchron Player**, **Vienna Instruments Pro**, **Vienna Ensemble Pro**, **Vienna MIR Pro 3D** and **Vienna Suite Pro**. In 2016, the company launched an entirely new venture: **Synchron Stage Vienna**, a unique scoring stage in Austria's capital that accommodates orchestras of up to 130 musicians, merges proprietary software innovations and revolutionary approaches with state-of-the-art recording technologies and procedures.
