Immersive Mixing Competition

Following the release of Vienna Power House, GPU Audio have launched 'Make Your Sound 3D' - an Immersive Mixing competition offering **over \$7,000 in prizes** from Vienna Symphonic Library, Dear Reality, and GPU Audio. The challenge is to create an Immersive Mix within Vienna Power House and Vienna MIR Pro 3D using the provided Stem Pack as a starting point, adding your own elements, instruments, and 3D production flair!
