

For Immediate Release

New from Vienna: Free Lyrical & Virtuoso Legato for Synchron Woodwinds

Vienna Symphonic Library offers free bonus patches and special pricing on Woodwinds libraries

Vienna, January 16, 2024 – The Vienna Symphonic Library is pleased to announce a special sale of the *Synchron Woodwinds* Collection in addition to free bonus patches offering new “Lyrical Legato” and “Virtuoso Legato” articulations for the included flute, oboe, and clarinet. *Synchron Woodwinds* is currently available at a special price of €445 for the *Standard Library* (reg. €595), and €640 for the *Full Library* (reg. €850). To mark the occasion, all other woodwind libraries of the *Synchron Series*, *SYNCHRON-ized Series*, and *Big Bang Orchestra Series*, will be available at major discounts as well.

Lyrical Legato offers a slower, a bit more pronounced and beautifully natural transition between notes in slow and medium tempos. The also included new **Virtuoso Legato** is specifically designed for fast phrases. Registered users of *Synchron Woodwinds* can add the new legato articulations for the flute, oboe, and clarinet, free of charge, simply by using the Vienna Assistant. The bonus patch will also be included in every new purchase of *Synchron Woodwinds*.

Synchron Woodwinds is the TEC Award 2023 nominated virtual instrument collection including 13 solo instruments and 7 ensembles, recorded in the large hall of *Synchron Stage Vienna*. Captivating performances by world-class artists were extensively sampled with a new level of dynamic expressivity and musicality to create a versatile, flexible and very nuanced library that will add character and authenticity to any arrangement.

About the Vienna Symphonic Library

The Vienna Symphonic Library is an innovative, research-driven music software and sample library developer based in Vienna, Austria. The team continually strives to improve virtual orchestral music production with a special emphasis on authenticity and ease-of-use. **Vienna Instruments** and the **Synchron Series libraries**, the company’s multi-award-winning virtual

instruments in the formats AU, VST, and AAX Native, encompass an exhaustive range of solo instruments and ensembles, from Synchron Duality Strings and Synchron Elite Strings, Synchron Pianos including concert grands by Bösendorfer, Fazioli, Steinway, Yamaha and Blüthner, to special instruments such as the Great Rieger Organ of the Vienna Konzerthaus, historic and ethnic wind instruments, drums and percussion, and even distorted guitar. Acclaimed software products include the **Vienna Synchron Player**, **Vienna Instruments Pro**, **Vienna Ensemble Pro**, **Vienna MIR Pro 3D** and **Vienna Suite Pro**. In 2016, the company launched an entirely new venture: **Synchron Stage Vienna**, a unique scoring stage in Austria's capital that accommodates orchestras of up to 130 musicians, merges proprietary software innovations and revolutionary approaches with state-of-the-art recording technologies and procedures.
