

## VIENNA BOYS CHOIR

Dear ...,

We're happy to announce our next world premiere!

### New: Vienna Boys Choir

The Vienna Boys Choir ("Wiener Sängerknaben") is one of the world's most famous and celebrated choirs, a **cultural institution** that remarkably dates back to the Middle Ages. Over time this ensemble has evolved into a prestigious independent concert choir known for its ethereal sound and diverse repertoire, which includes everything from medieval music to contemporary pieces.

Now, and for **the first time** in the 525-year history of the Vienna Boys Choir, the voices of this internationally renowned ensemble have been entrusted to us to create a virtual instrument of pristine quality and vocal brilliance, recorded at Synchron Stage Vienna.

### New: Basso Profondo Choir

Feel the power and mysticism of **the choir's deepest voices!** The Basso Profondo Choir gathers six astounding contrabass singers at Stage A of Synchron Stage Vienna for a mesmerizing, profoundly deep exploration of the lowest range of the human voice.

Composer Bear McCreary used this **exceptional ensemble** in his recordings for the score to the Amazon Prime fantasy series "The Rings of Power".
